Subject: FYI -- OECA, OGC, WD & ECAD all have access to the Umatilla share point folder

Feel free to put info there, and be aware if there's any info you don't want to share that broadly, you will need to control permissions for that file or put it in a different location. Let me know if you have any questions.

Thanks,

Peter

Subject: Contreras, Peter is inviting you to collaborate on Lower Umatilla Basin GWMA 1431 Petition

OECA/OGC colleagues, I set up this share point folder to allow all to put information in one place while we review the 1431 petition for the Lower Umatilla Basin GWMA. Please let me know if you have questions or concerns. We'll talk again on the 13th. Thanks,

Peter
